3M™ Spray Adhesives and Cleaner

# Bonding power – at the touch of a finger.

## Large and Small Surface Bonding

At the touch of a finger – bonding power for substrates from paper to metal. 3M's portfolio of industrial-grade spray adhesives is designed to make assembly fast, convenient and efficient.

Bonding power – at the touch of a finger

Low soak-in property

Soft, non-dimpling bond lines

Aggressive tack that offers a high initial grab

Variable-width lace spray pattern

Fast drying and easy to dispense

## 3M™ Foam Fast 74

Fast-tacking adhesive with soft, non-dimpling bond lines.

Foam & fabric

## 3M™ Super 77

Offers a fast, aggressive tack that bonds a wide range of light-weight materials.

Multi purpose

## 3M™ Hi-Strength 90

A versatile, fast-drying adhesive that forms extremely strong bonds on a wide range of materials.

Heavy duty & hi-strength

## 3M™ Repositionable 75

Repositionable spray adhesive that's ideal for hold and position of many lightweight materials.

Specialty – Repositionable

## 3M™ Rubber and Vinyl 80

A high-strength and fast-setting adhesive that provides tough bonds, exceptional heat resistance and resistance to plasticizing oils.

Specialty – Rubber bonding

## 3M™ Industrial Cleaner

Removes grease, oil, ink and most adhesives without harsh chemicals or hours of soaking.

Maintenance & cleaning

## 3M™ Spray Adhesives

Whatever your application, 3M can meet your needs with a robust portfolio of spray adhesives that includes aerosols, cylinders and bulk formats.
