

ARMOUR BOARD STORAGE RACK

Features and Benefits

- Versatile - strong enough to be used for extra storage on top of the rack
- Quality Construction - fabricated from 25mm square galvanised steel tubing
- All parts are powder coated black
- Each storage rack has 216mm compartments with lips on each side to prevent the panels from sliding or falling
- Overall Dimensions: 1700mm (H) x 985mm (W) x 2460mm (L)

Component List

- 4 x Tubing Lengths - 2460mm
- 4 x Upright Dividers
1700mm (W) x 985mm (H)
- 4 x Compartment trays
- 24 x End Caps
- 16 x Bolts
- 16 x Nuts

Two person assembly

For ease of assembly, we recommend that you assemble the rack on its side. Once all fixings are tight and secure, secure the trays as shown in the image above.
